START WITH YOURSELF

The following words were written on the tomb of an Anglican bishop in the crypts of Westminster Abbey:

When I was young and free and my imagination had no limits, I dreamed of changing the world. As I grew older and wiser, I discovered the world would not change, so I shortened my sights somewhat and decided to change only my country. But it too seemed immovable.

As I grew into my twilight years, in one last desperate attempt, I settled for changing only family, those closest to me, but alas, they would have none of it.

And now as I lay on my deathbed, I suddenly realize: If I had only changed myself first, then, by example, I would have changed my family. From their inspiration and encouragement, I would then have been able to better my country and, who knows, I may have even changed the world.

AROUND THE CORNER

Around the corner I have a friend,
In this great city that has no end.
Yet days go by and weeks rush on,
And before I know it, a year has gone.
And I never see my old friends face;
For life is a swift and terrible race.
He knows I like him just as well
As in the days when I rang his bell.
And he rang mine. We were younger then –
And now we are busy, tired men –
Tired with playing a foolish game,
Tired with trying to make a name.
"Tomorrow," I say, "I will call on Jim,
Just to show that I'm thinking of him."
But tomorrow comes – and tomorrow goes;
And the distance between us grows and grows.
Around the corner! Yet miles away...
"Here's a telegram, sir,"
"Jim died today."
And that's what we get – and deserve in the end –
Around the corner, a vanished friend.

MASTER'S MESSAGE

"If you don't know where you are going, you will probably wind up somewhere else."

Brethren, January is almost over and our last meeting on January 6 was truly a blessing. The D.D.G.M. was our O.V. that evening and a brother visiting from Regina was in attendance as well.

As for all committee members, I urge each and every one of you to participate and attend our G.P. and regular meeting to discuss the presented proposals. This is your opportunity to make decisions that will help and encourage our brethren.

The month of February is fast approaching. February is the month representing the heart, warmth, togetherness, and love. Extend these virtues not only to Free Masons, but the community and all of mankind. Make this goal our primary resolution, as we focus on the positive things that make being a mason wonderful.

In my opinion, if one does not take initiative and time to aid, share, and participate, one forfeits their right to complain and criticize the actions and decisions done by others responsible. Take a few moments to consider the time in which you were received in the arms of masonry. Were our principles not about participation, dedication, and involvement? Was it not about patience and love as well? These are the questions we should consider in becoming better masons. This solemn duty will guide us and only through hard work, avid participation, and sacrifice can make our fraternity the best it can possibly be. In part, I sincerely welcome any dialogue concerning creative changes that will result in the best interest and strengthen the Masonic principle of our beloved craft. It is not far to reach an ideal that will produce great opportunity for the advantages of our member and Masonic family.

To the brothers who filled the vacant chairs for S.W.-W. Bro. Warriner, S.D.-W. Bro. Mortimer, J.D.-M.W. Bro. Allen, P.M.-V.W. Bro. Caguiat, and W. Bro. Brandenburg for representing me at Kilcona Lodge, thank you for your support. It is very much appreciated.

Lastly, our Robbie Burn's Night will be on February 11, 2006.

To R.W. Bro. Kris Goodmanson, we extend our condolences to your family.

"The successful man will profit from his mistakes and try again in a different way." – Dale Carnegie
